[DOC] [Database Technologies for Large Scale Databases in Telecommunication](#)

[eurescom.de](#) [DOC]

DT AG, KPN Koninklijke, AB Telfa, SA Telefonica, PT ... - eurescom.de

... It is a specification against which vendors are expected to **write** their own implementations. ... TP

Monitors main **job** is managing processes ... Monitors deliver shared state handling (transaction context) to exchange information between the services, freeing developers from this **task**. ...

[Related articles](#) - [View as HTML](#) - [All 7 versions](#)

[BOOK] [Parallel computing: an introduction](#)

A Lafferty, EL Lafferty, MC Michaud, MUCON Prella - 1993 - books.google.com

... The **table** of contents is organized in such a way as to serve as a ... and Survey," for the organization, information, and paragraphs which were used in **part** and in ... that is supported: fine-grained (at the instruction level); medium-grained (at the cooperating **concurrent task** level with ...

[PS] [Description of the adaptive resource management problem, cost functions ...](#)

[139.91.151.170](#) [PS]

G Georgiannakis, C Houstis, S Kapidakis, M ... - ESPRIT - 139.91.151.170

... i Page 4. 5.1.4.2 Data Management and **Job** Scheduling Problems : : : 32 ... vi Page 9. **Table** of Symbols (cont.) Abbr. ... The algorithms for **task** assignment are complex, o-line and address assignment to processors of rather large chunks of work (relatively long time scales). ...

[Cited by 5](#) - [Related articles](#) - [View as HTML](#) - [All 5 versions](#)

[PDF] [Microsoft SQL Server 2000 RDBMS Performance Tuning Guide for Data ...](#)

[homeworks.it](#) [PDF]

JH Miller, H Lau - 2001 - homeworks.it

... and network functions, resulting in problems shutting down SQL Server or using other Windows **tasks** on the ... It is important that you set up **jobs** to periodically check for fragmentation in your data and ... in a RAID array, it is also important to multiply the number of disk **write** I/Os ...

[Cited by 6](#) - [Related articles](#) - [View as HTML](#) - [All 9 versions](#)

[BOOK] [Parallel processing and medium-scale multiprocessors](#)

A Wouk - 1989 - books.google.com

... For information, **write** the Society for Industrial and Applied Mathematics, 1400 Architects Building, 117 South 17th ... the simulation is not the real program, it usually cannot do the full **job** of the real ...

blocks allocated to a specified **task**, the **tasks** to which a specified **task** has opened ...
